

The cruise ship M/S KRISTINA BRAHE

The m/s Kristina Brahe is the largest passenger vessel operating in the Saimaa Canal. Her compact size makes her ideal for cruising Finland's Lake District and the Archipelago Sea. In addition to providing everything you need for a journey, the expedition-style vessel offers an intimate, old world atmosphere that inspires a refreshing sense of congeniality. Although cabins of the vessel are small, most have full facilities. The ship is registered under the Finnish flag and the crew is Finnish.
